Additional Information

The RBJ database is continually updated throughout the year giving each of your list downloads the most up-to-date information at the time of purchase. The same goes for the complete Book of Lists. Each time the information on a single list is updated, the entire Book of Lists is updated.

Profile

Within the profile you can update your billing and profile information at any time.

The profile also contains a list of past purchases and current available downloads. Each product is available for download for 30 days after its purchase date, and it will contain the same information each time it is downloaded.
